“A Special Banquet”

The Canadian Sport Massage Therapists Association (CSMTA) is pleased to invite you to celebrate

“Massage Therapy’s Contribution to Excellence in Sport”

This Banquet will take place on Saturday evening October 23, 2010 from 6:00pm to 10:00pm at the Ellerslie Rugby Park in Edmonton. This event is being organized as an integral part the CSMTA’s 2010 National Conference and AGM which also takes place over that same weekend in the same location.

This banquet is back by popular demand after such a successful event when we last hosted it in 2006!

Come on along, relax, enjoy a wonderful dinner and listen to several athletes tell their stories about how Massage Therapists have assisted them in achieving their performance goals! Massage Therapy, and more specifically the specialization of Sport Massage Therapy, have provided that added advantage for countless athletes who regularly utilize the services of wonderful individuals in our ever expanding profession. Athletes will now have the opportunity to speak out and explain to our audience exactly what Massage Therapy has meant to them in their athletic careers!

How can you get involved?

Firstly, purchase a ticket to the banquet very soon. There are a limited number of seats available and we expect to sell out very quickly.

Secondly, nominate an athlete who would speak for a few minutes on how their Massage Therapist(s) have assisted them in their athletic career. Both of you will need to complete the Nomination Forms describing yourselves so that the selection committee can make their decision as to who will be selected to speak.

Are we only looking for Olympic and Professional Athletes?

The Selection Committee hopes to get a wide cross-section of athletes who all have a different perspective on Sport and how Massage Therapy has positively influenced them in their athletic endeavors. We are hoping to attract Masters Athletes, Athletes with Disabilities, Youth Athletes, Swimmers, Runners, Special Olympians, Bobsledders, Olympians, Ex-Olympians, Professional Athletes, etc.

What can we offer the athlete for getting involved in this event?

Each athlete that is selected to speak will attend the festivities as our guest for the evening and they will receive their dinner as well as one other complimentary ticket for a guest of their choice (a \$100 value).

What if my athlete can't attend that particular evening?

Ideally we would like to have each athlete who is selected be there in person, but we also realize that isn't always possible, so we have an alternate plan. If your athlete is selected we would ask them to submit a DVD or videotape of their presentation that we can project to the audience.

What type of dinner is being offered?

It will be an excellent seated banquet dinner prepared by the outstanding chefs at the Ellerslie Rugby Park. There is a place on your registration form for any special dietary considerations that you or your athlete may have.

What is the cost to attend the Banquet?

The Banquet cost is already included in the CSMTA Conference fees. However, each additional ticket costs \$50.

For more information on the CSMTA Conference please visit their website at www.csmta.ca

When do I have to have the Nomination Forms completed by?

We would require all Nomination Forms be submitted to the CSMTA by September 30, 2010. The Selection Committee will require adequate time for selection and notification.

Please contact the Alberta Chapter of the CSMTA at abchapter@csmta.ca by email if you have any questions.

Yours in Sport!

Kip Petch
CSMTA Conference Chairman
