

CANADIAN SPORT MASSAGE THERAPISTS ASSOCIATION
ASSOCIATION CANADIENNE DES MASSOTHÉRAPEUTES DU SPORT

***You are cordially invited to join us at the
CSMTA Conference and AGM!!!***

The Alberta Chapter of the CSMTA is proudly hosting this year's Educational Conference and AGM in Edmonton October 22-24, 2010.

This is gearing up to be the biggest and best CSMTA conference ever and we are really counting large participation from Massage Therapists and other Health Care Professionals from far and wide to make this become a reality!

You don't have to be a member of the CSMTA to participate and we have arranged for an excellent educational experience with several outstanding topics to choose from. All of the topics are highly relevant to any Massage Therapist and the skills that you will gain can be put to effective use immediately!

The host Alberta Chapter members would like to offer you some outstanding western hospitality and we have arranged accommodation and transportation for out of town participants while in Edmonton.

The Banquet will be another highlight as we expect to attract several high profile athletes who will speak about the positive impact that Massage Therapy has had on their athletic careers.

So don't miss out on this amazing conference!

We hope to see you all in Edmonton this October!!

Check out the CSMTA website www.csmta.ca for more info and to register!

Please help us spread the word and pass this info on to your associates!

Yours in Sport!

Kip Petch

CSMTA 2010 Conference Chair
